

MARONITE EPARCHY OF AUSTRALIA, NEW ZEALAND AND OCEANIA

RISK MANAGEMENT POLICY

POLICY

The Maronite Eparchy of Australia New Zealand and Oceania (the Eparchy) is committed to ensuring that at all levels of management and operation there is a culture involving an appreciation and acceptance of a need to identify, measure and manage risks (particularly to children and vulnerable persons) which may give rise to losses, both tangible and intangible, impacting upon the mission, viability, operations and reputation of the Eparchy.

The Eparchy recognises that while risk is a part of every aspect of human endeavour, it is capable of being managed through its culture, processes and structures to ensure the minimisation of the impact of adverse events. It accepts that risk is a reality in meeting the challenges associated with achieving the Eparchy's strategic directions.

AIMS

The Eparchy aims to ensure the realisation of its mission through an open, risk aware culture giving attention to the following:

1. Compliance with all relevant statutory and best practice requirements in the following areas.
 - (a) Workplace health and safety (WH&S) and building and maintenance codes for all Eparchy owned/occupied buildings.
 - (b) physical and mental welfare of staff, priests, interns, trainees, volunteers, children and vulnerable persons involved with the Eparchy's activities.
 - (c) Asset management, financial management and insurance programs.
 - (d) IT management and infrastructure and social media discussion/commentary.
2. Embedding a risk culture at all levels of the Eparchy's activities.

VERSION II – OCTOBER 2023

PRINCIPLES AND GUIDELINES

The following principles and guidelines outline the elements of risk management.

1. Identify Risk – identify when, where, why and how events could prevent, delay or degrade the main outcome of the event or activity.
2. Analyse Risk – determine the likelihood of the risk to occur and the potential consequences.
3. Evaluate Risk – compare the level of risk against potential adverse outcomes so that decisions can be made on how to manage priorities.
4. Control Risk - develop and implement strategies and action plans which are cost effective and beneficial to all involved.
5. Monitor and Review Risks – monitor the effectiveness of the processes put in place. Provide feedback for improvement and follow up.

All staff should be cognisant of:

1. Grooming – physical, psychological or coercive actions to create a manipulative relationship with children and/or vulnerable persons or vulnerable persons.
2. Safety – physical, mental, emotional and spiritual safety of all children, vulnerable persons and vulnerable persons, volunteers and co-workers from danger, bullying, risk or injury.
3. Touching – inappropriate touching by any person.
4. Privacy – a person’s right to privacy.
5. Disclosure – an obligation to inform/advise about an experience of abuse or risk of harm.

CALCULATING RISK

Risk is the product of ‘consequence’ and ‘likelihood’ and is defined as follows.

<u>Consequence</u>	<u>Description</u>
Negligible	There are no significant implications
Minor	There are some implications but this would not impact in any major way or cause significant disruption or perceptions or reputation.
Medium	Implications would impact in a way that could compromise performance or operations, perceptions and reputation.
Very High	Implications would impact in a significant way that could severely compromise performance or operations, perceptions and reputation. Core activities may be impacted.
Extreme	Implications would impact in a significant way that could severely compromise performance or operations, perceptions and reputation. Core activities impacted significantly.

<u>Likelihood</u>	<u>Description</u>
Rare	May occur only in exceptional circumstances
Unlikely	Could occur at some time

VERSION II - OCTOBER 2023

MARONITE EPARCHY OF AUSTRALIA, NEW ZEALAND AND OCEANIA

Level 2, 40 Alice Street Harris Park NSW | PO Box 385 Strathfield NSW 2135 Australia | ABN: 41 627 619 405

Telephone: +61 2 8831 0000 | Facsimile: +61 2 8831 0099 | Website: www.maronite.org.au

Possible	Might occur at some time
Likely	Will probably occur in most circumstances
Almost Certain	Is expected to occur in most circumstances

By cross tabulating 'Consequence' and 'Likelihood' the following risk ratings are derived.

Likelihood	Consequence				
	Negligible	Minor	Medium	Very High	Extreme
Almost Certain	Medium	High	High	Very High	Very High
Likely	Medium	Medium	High	High	Very High
Possible	Low	Medium	Medium	High	High
Unlikely	Low	Medium	Medium	Medium	High
Rare	Low	Low	Low	Medium	Medium

RISK MANAGEMENT REGISTER

The following is a pro forma of the Risk Management Register maintained in an excel spreadsheet.

Number	Identified Risk	Risk Level	Consequence	Likelihood	Control of Risk
1					

AREAS OF RISK

AREA OF RISK	CONTROL OF RISK
Recruitment and Staffing	<ol style="list-style-type: none"> Reference Checks undertaken WWCC provided Consider probation period Review CV experience and referees Safeguarding training Code of conduct signed Identify skills shortage Staff health and wellbeing (physical and mental) monitored Staff performance monitored and reviewed
Consent / Permission	<ol style="list-style-type: none"> Consent forms completed Emergency contacts noted
Environment / Workplace	<ol style="list-style-type: none"> First Aid kit in buildings First Aid Officer appointed Maintenance and building upkeep undertaken Contractors managed Evacuation procedures advised Third party use of buildings managed
Use of Transport (for Children and Vulnerable Persons)	<ol style="list-style-type: none"> Permission to travel obtained from parent/guardian Drivers licence noted Road safety and parking rules adhered to
